Summary

I am currently a Software Developer in the United States Air Force stationed at Offutt AFB, NE. I am pursuing two degrees: an Associate of Computer Science at the Community College of the Air Force and a Bachelor of Multidisciplinary Studies with a Concentration in Information Technology at the University of Nebraska. I am looking to separate the USAF around 2027 and currently have a TS/SCI Security Clearance. I prefer working remotely with small innovative teams. I enjoy developing applications and automation to make other individuals' jobs more efficient. In my personal time, I enjoy playing guitar and saxophone and collecting early 2000s video games.

Security Clearance: SCI(DCID 1/14 ELIGIBLE)

Date of Investigation: 15 SEP 2021

Experience

Data Operator (Senior Airman)
